

Application to Join PVG

Guidance for Signatory/Identification Checker

It is the role of the signatory to check that the application is correctly completed, check applicant's identification, complete sections E1 to E9, complete the Coversheet and (if required) complete a checklist to allow us to assess the position.

Please take time to read the guidance as any errors will cause delays in processing forms. If you would prefer audio guidance, this can be found in the Disclosure Services section of our website www.volunteerscotland.org.uk If you need any assistance, please call our office on 01786 849777, choose option 2 and a member of our team will be happy to assist you. Alternatively, you can email your question(s) to disclosures@volunteerscotland.org.uk

Checking Sections A1 to C2

Please ensure you are referring the applicants to the guidance notes for completion of these sections. You can also use this guidance for detailed information on how these sections should be completed. The guidance for applicants can be found in the information resource section of our website.

When submitting application forms, please ensure the date provided in section C2 is less than 6 months ago to ensure information is accurate and up to date. Please note that applications dated more than 6 months ago will be returned to you for amendment by the applicant.

Check that the applicant has fully and correctly completed the application form. All sections highlighted in yellow must be completed and if any sections between B23 and B39 or B83 are crossed 'Yes', the subsequent sections relating to that answer must be fully completed. Please note that if an applicant is over 18 and a UK national, they must provide their national insurance number. If this has not yet been issued, please attach a note advising of this. If no information can be provided in sections B23-39 please attach a note explaining this.

You should pay special attention to sections A1-3, B13, B36-37, B83-87, E1-5 and the driving licence number as these are the areas where errors are most often made. Guidance on how to read a driving licence number is given in the Identification Checking section below.

Quick Guide

Please complete sections E1 to E9. Whoever is responsible for paying for the PVG certificate should complete sections D3-D10. You should clarify this with the applicant. Complete the Coversheet and submit a checklist if the position has not previously been assessed. Detailed guidance is given below.

- D1 This sections must be completed on all application forms.
- D2-10 This section must be completed if you are submitting payment with the application.

Payment Section for Volunteers

If the applicant is a volunteer in a qualifying voluntary organisation you should cross 'Yes' in D1, cross D2 and cross 'Registered Body Invoice' in D3. The reason you need to complete the application in this way is because although the check is carried out at no charge to the organisation or the applicant, payment is still required for the application. The cost of the check is met by the Scottish Government.

If the applicant is a volunteer but not in a qualifying voluntary organisation or is a student undertaking a work placement which forms part of the course they are studying, you should follow the guidance below for paid staff.

Payment Section for Paid Staff

Whoever is responsible for paying for the PVG Certificate should complete sections D2 to D10. Please let the applicant know who will be responsible for payment.

If the application is for a volunteer in a voluntary organisation which does not qualify for 'free' checks or for a paid position or someone undertaking a student placement which forms part of the course they are studying, you should cross 'No' in D1, leave D2 blank and select your method of payment in D3. You can select any method of payment except 'Registered Body Invoice' or 'Cheque'. The 'Invoice' option is not available as this method of payment is used to generate the invoice for the Scottish Government to pay for 'free' volunteer checks.

Payment by cheque is no longer accepted. This will resolve the issue of returning multiple forms, which are paid for by one cheque, when there may only be an issue with one form on that cheque. If this will cause difficulties for your organisation, please call our helpline on 01786 849777 and choose option 3.

If you are paying by card, you must provide the card details as requested in sections D4 to D9.

If you are paying by voucher, please provide the voucher number in section D10.

The current cost of a Scheme Record is £59.00

E1 If this is a retrospective check, please cross 'Yes' or if this is for a new member of staff or volunteer cross 'No'. Applicants who were in their post before PVG (28 February 2011) are considered retrospective when you make your first PVG application for them. Periodical rechecking is not considered retrospective and 'No' should be crossed.

E2 Please cross the appropriate box.

E3 Please provide the name of the organisation who are recruiting the applicant. This information should match the details we hold for you.

If you are acting as an intermediary organisation and submitting this form on behalf of another organisation (secondary organisation), you should enter the name of the secondary organisation in this section and ensure you have provided a secondary organisation contract for them. If you have not previously sent us the contract, you should send it with the application or the form will be returned to you. Secondary organisation contracts can be found in the resources section of our website.

E4 If the applicant will be working or volunteering in a specific project or service within your organisation, you should enter the name of the service and ensure you have provided a checklist for this service. If you have not previously sent us a checklist for the project or service, you should send it with the application or the form will be returned to you. Checklists can be downloaded from the Resources section of our website.

E5-E6 Please enter the position that the application is for. The name of the position should clearly describe how the position is regulated work E.g. Support Worker/Youth Worker/Care Assistant clearly and concisely describe what the role involves, however Volunteer Helper does not provide any information to allow us to determine that the post meets the criteria for regulated work.

If you have not previously sent us a checklist for the position, you should send it with the application or it will be returned to you. Checklists can be downloaded from the Resources section of our website.

If you have previously sent a checklist for this position, you should not send another as we hold a list of the positions we have assessed for your organisation.

Identification Checking

E7-E9 Please cross the documents you are checking to confirm the identity of the applicant. If you are checking documents other than those specified, you should cross 'Other' and detail the documents in E8 and E9.

If you check the passport, driving licence, national ID card or national entitlement card, please ensure the details of these documents are provided in full in sections B25 to B34. E.g. if you check the applicants passport, section B25 must be crossed 'Yes', the passport number must be provided in B26 and the country of issue must be given in B27.

It is your responsibility to ensure the person completing the application form is who they say they are by checking their identification. The minimum identification you must check is either

- one document with a photograph and one document with their current home address (please note that this must be 2 separate documents)
or
- If no photo ID is available you must see 3 documents, 2 of which must have their current home address.

Documents confirming their home address should be issued within the last 3 months. If you do not check sufficient identification, the application may be returned to you.

Listed below are examples of documents you can use to check your applicants identification. The list is not exhaustive and there will be many other documents which you can use.

Photographic Identification

Passport	Photographic Driving Licence**
National Entitlement Card	Photographic Membership Card
Employee ID Card	Certified Photograph*
Young Scot Card	Student Card

Address Confirmation

Utility Bill	UK Driving Licence (photo card only)**
Bank Statement	Credit/Store Card Statements
School Letter	Council Letter
Benefit Agency Letter	Financial Statements

If the applicant has recently changed their name and their identification has not yet been changed to their new name, you should check further documents to confirm the name on their identification and their new name. For example, an applicant has recently married but all identification is in their maiden name, you can check the applicant's marriage certificate as supplementary evidence.

*A certified photograph should be signed and dated by a responsible person (e.g. minister, teacher, line manager) who has known the applicant for a reasonable period of time. The photograph should be accompanied by the statement "I certify that this is a true likeness of [name of applicant] residing at [enter applicants address] and has been known by me for [enter duration of time]."

**How to read a UK driving licence number

A UK driving licence is mainly made up of the holder's names and date of birth. Using the information below will help you to read the driver number and check it against the applicant's names and date of birth. The example given is for Samantha Michelle Morgan, date of birth 5 July 1964.

A	B	C	D	E

- A This section is the first 5 letters of the holder's surname. If the surname has fewer than 5 letters, the remaining spaces will be made up using the number 9 (e.g. MAN99). Please note that for surnames which begin with 'Mac', the 'a' will be removed and the surname will begin 'Mc', irrespective of the following letters of the surname (e.g. Mack will become MCK99).
- B This section is made up using your date of birth.
- The first and last numbers are the year of birth. In the example above, the year of birth is 1964.
 - The second and third numbers are the month of birth. If the holder is female, 5 is added to the first number of the month (0 will become 5 and 1 will become 6). In the example above, the month is July and the applicant is female. If the applicant was male, the number for July would be 07.
 - The fourth and fifth numbers are the day of birth. In the example above, the day is 5th.
- C This section is made up using the first 2 initials. If there is no middle name, the letter will be replaced with a number. In the example above, the holder's initials are S and M. Where there is a second initial, the middle name must be provided in sections B3/4 of the form.
- D These are randomly selected letters.
- E This is the licence issue number. This will increase by one every time the licence is issued.

No further sections of the form should be completed.

E10 Please leave this section blank

Sections E11-F2 will be completed by us as we are responsible for countersigning the application for you and sections G1-H2 do not apply to applications submitted through us.
